

Upcoming Opportunities - February 2018

Please contact Gayle McAleenan (gayle.mcaleenan@wayne.edu or 7-8847) to discuss applications.

Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Award Notes	Purpose	Submission Method	Website
Dollar General Literacy Foundation	Education	Family Literacy Grants	2/22/2018		\$15,000		Family Literacy Grants provide funding to family literacy service providers. Organizations applying for funding must have the following three components: Adult Education Instruction, Children's Education and Parent and Child Together Time (PACT).	Online Application	http://www2.dollargeneral.com/dgliteracy/Pages/grant_programs.aspx
Dollar General Literacy Foundation	Education	Summer Reading Grants	2/22/2018		\$3,000		Summer Reading Grants provide funding to local nonprofit organizations and libraries to help with the implementation or expansion of summer reading programs. Programs must target Pre-K through 12th-grade students who are new readers, below grade level readers or readers with learning disabilities.	Online Application	http://www2.dollargeneral.com/dgliteracy/Pages/grant_programs.aspx
American Hand Therapy Foundation	Health (Occupational/Physical Therapy)	Burkhalter New Investigator Grant for Clinical Research in Hand and Upper Limb Rehabilitation	2/28/2018		\$10,000	PI must not have prior experience as a PI	The purpose of the award is to support scientific clinical research in the field of hand and upper limb rehabilitation. Preference is given to applicants who are novice occupational or physical therapist investigators.	Online Application	http://www.ahft.org/grants/burkhalter-new-investigator-grant/

Upcoming Opportunities - February 2018

Please contact Gayle McAleenan (gayle.mcaleenan@wayne.edu or 7-8847) to discuss applications.

Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Award Notes	Purpose	Submission Method	Website
American Hand Therapy Foundation	Health (Occupational/Physical Therapy)	ASHT Founders Award	2/28/2018		\$30,000	Recipients will be required to share their findings at an ASHT annual meeting.	To promote meaningful research in hand therapy. Eligibility for this award includes clinicians, graduate students, or tenured/nontenured faculty at accredited occupational/physical therapy programs are eligible for the award.	Online Application	http://www.ahtf.org/grants/asht-founders-award/
Association of Rehabilitation Nurses and the Rehabilitation Nursing Foundation	Health/Nursing	Research Grant Program	3/1/2018		\$30,000	The PI must have a research doctorate or be enrolled in a research doctoral program, and be a registered nurse who is active in rehabilitation or who demonstrates interest in and significant contributions to rehabilitation nursing. Preferences will be given to members of the Association of Rehabilitation Nurses (ARN).	This special call for research proposals addresses the coordination or transition of care and services from one provider to another, one health care facility to another, or from a health care facility to home in a rehabilitation patient population. The ARN white paper, Essential Role of the Rehabilitation Nurse in Facilitating Care Transitions (Camicia et al, 2014), should serve as a catalyst in the development of researchable questions that address care transition and coordination of services in the rehabilitation patient population.	Email submission	http://www.rehabnurse.org/research/content/research-grant-guidelines.html
National Water Research Institute	Multiple	Ronald B. Linsky Fellowship for Outstanding Water Research	3/1/2018		\$10,000	Must be a current graduate student	This awarded is given to an outstanding master's or doctoral graduate student in a U.S. university whose research pertains to water, including water supply, water resources, water quality, and technologies and treatment. NWRI's specific research interests include (but are not limited to): water treatment technologies; water quality; water environmental chemistry; water policy and economics; public health and risk assessment; and water resources management.	Email submission	http://www.nwri-usa.org/fellowship.htm
Society for Vascular Surgery Foundation	Health	Clinical Research Seed Grant	3/1/2018		\$25,000	One-year grant. PI must be SVS Active Member or mentored by active member	Clinical research, preferably patient-oriented: research conducted with human subjects or on material of human origin such as tissues, specimens and cognitive phenomena for which an investigator directly interacts with human subjects. Applications addressing one of the SVS Clinical Research Priorities are particularly encouraged. Small-scale clinical trials and ancillary studies in the setting of existing clinical trials (industry or NIH-supported) will be accepted.	Online Application	https://vascular.org/career-tools-training/awards-and-scholarships/clinical-research-seed-grants

Upcoming Opportunities - February 2018

Please contact Gayle McAleenan (gayle.mcaleenan@wayne.edu or 7-8847) to discuss applications.

Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Award Notes	Purpose	Submission Method	Website
Terra Foundation for American Art	Arts and Humanities	Exhibition Grants	3/1/2017	\$24,000	\$375,000	International venue must be secured before LOI submission. Full proposal invited, due May 15, 2018. One application per exhibition.	Supports exhibitions that increase the understanding and appreciation of historical American art (circa 1500–1980). The foundation has a particular interest in exhibitions that add an international dimension to the study or presentation of historical American art or take place in Chicago.	Email submission	https://www.terraamericanart.org/what-we-offer/grant-fellowship-opportunities/exhibition-grants/
Vodafone Americas	Science	Wireless Innovation Project	3/5/2018	\$100,000	\$300,000	Must be field/market test ready. Replicable and have potential for large scale impact.	Project proposals must demonstrate significant advancement in the field of wireless-related technology applied to social benefit use.	Online Application	http://vodafone-us.com/wireless-innovation-project/about-wip/
Robert Wood Johnson Foundation	Health	Health Policy Research Scholars	3/14/2018		\$30,000	Stipends for up to four years.	The goal of Health Policy Research Scholars is to create a large cadre of diverse doctoral students from a wide variety of research-focused disciplines—students whose research, connections, and leadership will inform and influence policy toward a Culture of Health. Specifically, we aim to recruit doctoral students from a variety of fields/disciplines (e.g., urban planning, political science, economics, ethnography, education, social work, sociology) who are training to be researchers. Submission must be coordinated through the Foundation Relations office.	Online Application	https://www.rwif.org/en/library/funding-opportunities/2018/health-policy-research-scholars.html
Robert Wood Johnson Foundation	Health	Interdisciplinary Research Leaders (IRL)	3/14/2018		\$350,000	Applicants must be represented by a three-person team that will participate in grant activities. Each team must be comprised of three mid-career individuals: two researchers and one community partner.	This program seeks teams of researchers and community members who are committed to working together to produce community-relevant, action-oriented research to improve health and well-being. Funding to support the work of the team will go to one organization. This applicant organization will identify the team members on its application. Submission must be coordinated through the Foundation Relations office.	Online Application	https://www.rwif.org/en/how-we-work/grants-explorer/funding-opportunities.html
American Psychological Foundation	Mental Health	John and Polly Sparks Early Career Grant	3/15/2018		\$18,000	No more than 10 years post doctoral.	The John and Polly Sparks Early Career Grant supports early career psychologists conducting research in the area of early intervention and treatment for serious emotional disturbance in children.	Online Application	http://www.apa.org/apf/funding/sparks-early-career.aspx?tab=1

Upcoming Opportunities - February 2018

Please contact Gayle McAleenan (gayle.mcaleenan@wayne.edu or 7-8847) to discuss applications.

Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Award Notes	Purpose	Submission Method	Website
Comerica Charitable Foundation	Various	Education, Economic and Community Development, and Human Services	3/15/2018	\$5,000	\$50,000		Comerica's grant making is focused on: education for low-and moderate-income (LMI) individuals and families; economic/community development support for programs that promote and enhance opportunities for LMI families and communities; and human services programs that enhance and protect the health and well-being of LMI individuals and families. Submission must be coordinated through the Corporate Relations office.	Online Application	https://www.comerica.com/about-us/community-involvement/charitable-giving.html
Rita and Alex Hillman Foundation	Health	Hillman Innovations in Care Program	3/16/2018		\$600,000	Grant period is 36 months	The goal of the Hillman Innovations in Care Program is to advance leading edge, nursing-driven models of care that will improve the health and health care of vulnerable populations, including the economically disadvantaged, racial and ethnic minorities, LGBTQ people, the homeless, rural populations, and other groups that encounter barriers to accessing quality health care services. We seek bold, evidence-based, patient- and family-centered approaches that challenge conventional strategies, improve health outcomes, lower costs, and show potential for national replicability.	Online Application	http://www.rahf.org/grant-programs/hillman-innovations-in-care-program/RFP
Michigan Masonic Charitable Foundation	Youth	Masonry's B.E.S.T. Community Grant	3/15/2018	\$5,000	\$50,000		The Masonry's B.E.S.T community grant program is most interested in projects that focus on the need of our youth. In general, priority is given to those grant ideas that: increase the capacity of the community to participate in identifying needs and developing and implementing solution; develop self-reliance; targets gaps in services; mirror the diversity of our community; solve or address critical local needs; focus on prevention; encourage collaboration and cooperation among charities; and unite and build our communities.	Online Application	https://mmcf.fluidreview.com/res/p/guidelines/
American Psychological Foundation	Mental Health	Visionary Grants	4/1/2018		\$20,000	No more than 10 years post doctoral.	Visionary Grants seek to seed innovation through supporting research, education and intervention projects and programs that use psychology to solve social problems in the following priority areas: applying psychology to at-risk, vulnerable populations (e.g. serious mental illness, returning military, those who are incarcerated or economically disadvantaged); violence prevention; the connection between behavior and health (e.g. wellness, diabetes, obesity); understanding and eliminating stigma and prejudice (e.g. race, gender, sexual orientation, religion, age, disability and socioeconomic status).	Online Application	http://www.apa.org/apf/funding/visionary.aspx?tab=1

Upcoming Opportunities - February 2018

Please contact Gayle McAleenan (gayle.mcaleenan@wayne.edu or 7-8847) to discuss applications.

Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Award Notes	Purpose	Submission Method	Website
Fahs-Beck Fund for Research and Experimentation	Mental Health	Faculty/Post-Doctoral Research Grant Program	4/2/2018		\$20,000	Grant funds are to be used for the out-of-pocket research expenses already covered by other sources of funding. Salary for research assistants, consultants, interviewers and transcribers is allowable.	Areas of interest to the Fund are: studies to develop, refine, evaluate, or disseminate innovative interventions designed to prevent or ameliorate major social, psychological, behavioral or public health problems affecting children, adults, couples, families, or communities; or studies that have the potential for adding significantly to knowledge about such problems.	Email submission	http://www.fahsbeckfund.org/pdf_files/Post_Doctoral_Guidelines.pdf
AccessLex Institute	Law	Legal Education Diversity Pipeline Grant Program	4/10/2018	\$25,000	\$125,000	Grant period is 6-24 months.	The Legal Education Diversity Pipeline Grant program seeks to fund programs that conduct effective interventions at the post-secondary education, transition to law school, and law school stages of the pipeline to enhance access to legal education for historically underrepresented minority students and students from economically disadvantaged circumstances.	Online Application	https://www.accesslex.org/legal-education-diversity-pipeline-grant-program
American Psychological Foundation	Mental Health	2018 Alexander Gralnick Research Investigator Prize	4/15/2018		\$20,000	PIs must have a record of significant involvement in training and development of more junior investigators, and have demonstrated research productivity in serious mental illness for a minimum of eight years.	The APF Alexander Gralnick Research Investigator Prize recognizes "exceptional individuals working in the area of serious mental illness." Self-nominations will be accepted.	Online Application	http://www.apa.org/apf/funding/gralnick.aspx?tab=3
The Atlantic Philanthropies and the John A. Hartford Foundation	Health Policy	Health and Aging Policy Fellows Program	4/15/2018		\$100,000	Full proposal. Non-residential (D.C.) and residential fellowships available. Several information sessions available, including December 11th: 3-4 pm; January 8th: 12-1 pm.	The program provides fellows with the skills, content, and hands-on experience to be able to offer policy solutions to the health challenges of an increasingly aging population and the barriers to the health care system that serves them. Broad interdisciplinary focus, and fellows have included physicians, nurses, social workers, psychologists, dieticians, healthcare administrators, epidemiologists, economists, and lawyers from academic and practice settings, spanning career stages from newly minted PhDs to senior professors and community leaders.	Email submission	https://www.healthandagingpolicy.org/about-the-fellowship/fellowship-overview/
The Lawrence Foundation	Various	Environment, Human Services, Disaster Relief, and other	4/30/2018	\$5,000	\$10,000		The mission of the foundation is to make a difference in the world by providing contributions and grants to organizations that are working to solve pressing educational, environmental, health and other issues.	Online Application	http://www.thelawrencefoundation.org/grants/
Wenner-Gren Foundation	Arts and Humanities	Post-Doctoral Research Grants Program	5/1/2018		\$20,000	No constrained grant period. Applicants notified of results six-months after submission.	Contributes to the Foundation's overall mission to support basic research in anthropology and to ensure that the discipline continues to be a source of vibrant and significant work that furthers our understanding of humanity's cultural and biological origins, development, and variation. The Foundation supports research that demonstrates a clear link to anthropological theory and debates, and promises to make a solid contribution to advancing these ideas.	Online and hardcopy application	http://www.wennergren.org/programs/post-phd-research-grants

Upcoming Opportunities - February 2018

Please contact Gayle McAleenan (gayle.mcaleenan@wayne.edu or 7-8847) to discuss applications.

Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Award Notes	Purpose	Submission Method	Website
William T. Grant Foundation	Social Science	Research Grants Program	5/2/2018	\$100,000	\$600,000	Two to three-year grants. LOI only, full applications invited.	Supports research to build, test, and increase understanding of approaches to reducing inequality in youth outcomes, particularly on the basis of race, ethnicity, economic standing, or immigrant origin status. We are interested in research on programs, policies, and practices to reduce inequality in academic, social, behavioral, and economic outcomes. Must coordinate with Foundation Relations.	Online Application	http://wtgrantfoundation.org/library/uploads/2018/01/2018-Research-Grants-Application-Guide.pdf
American Music Therapy Association	Health/Mental Health	Arthur Flagler Fultz Research Award	5/4/2018		\$15,000	To be eligible, the project's primary investigator must be an AMTA member in good standing.	The award program is designed to encourage, promote, and fund music therapy research and explore new and innovative music therapy treatments. The fund supports research in the areas of clinical research and health services research.	Email submission	https://www.musictherapy.org/research/fultz/
Misk Grand Challenges	Education and Global Citizenship	Education and Global Citizenship Challenges	5/14/2018		\$100,000	In addition to funding, winners will be invited to join a network of global change makers by: attending the 2nd annual 'Goalkeepers' event in September 2018, attending the Misk Global Forum, and joining a virtual community of Grand Challenges awardees and partners – a network of over 2,500 awardees.	The Global Citizenship Challenge invites innovators to devise and demonstrate ways to positively engage young people (under the age of 30) in Global Citizenship around the U.N.'s Sustainable Development Goals of: no poverty, zero hunger, good health and well-being, quality education, gender equality, and water and sanitation. The Education Challenge seeks ideas that better prepare teachers and school leaders to drive new, active 21st century system for learning.	Online Application	http://miskgrandchallenge.org/challenges.html
Dollar General Literacy Foundation	Education	Youth Literacy Grants	5/17/2018		\$4,000		Youth Literacy Grants provide funding to schools, public libraries, and nonprofit organizations to help students who are below grade level or experiencing difficulty reading. Grant funding is provided to assist in the following areas: implementing new or expanding existing literacy programs; purchasing new technology or equipment to support literacy initiatives; and purchasing books, materials or software for literacy programs.	Online Application	http://www2.dollargeneral.com/dgliteracy/Pages/grant_programs.aspx
Russell Sage Foundation	Social Science	Immigration and Immigrant Integration	5/24/2018	\$35,000	\$150,000	LOI only, full application invited. No more than a two-year period.	Seeks to support innovative research on the effects of race, citizenship, legal status and politics, political culture and public policy on outcomes for immigrants and for the native-born of different racial and ethnic groups and generations. This initiative falls under RSF's Race, Ethnicity, and Immigration Program and represents a special area of interest within the core program, which continues to encourage proposals on a broader set of issues. Must coordinate with Foundation Relations.		
American Psychological Foundation	Mental Health	David Wechsler Early Career Grant for Innovative Work in Cognition	6/1/2018		\$25,000	EdD, PsyD or PhD. No more than 10 years post doctoral.	The David Wechsler Early Career Grant for Innovative Work in Cognition supports early career psychologists pursuing innovative work in neuropsychology, intelligence and/or the assessment aspects of cognition. Those who work on positive applied neuropsychology are encouraged to apply.	Online Application	http://www.apa.org/apf/funding/wechsler.aspx

Upcoming Opportunities - February 2018

Please contact Gayle McAleenan (gayle.mcaleenan@wayne.edu or 7-8847) to discuss applications.

Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Award Notes	Purpose	Submission Method	Website
American Psychological Foundation	Mental Health	Kenneth B. and Mamie P. Clark Fund	6/15/2018		\$10,000	Applicants must be an early-career psychologist (no more than ten years postdoctoral) and have received IRB approval before funding can be awarded if human participants are involved.	A single grant of \$10,000 will be awarded to an early-career psychologist whose research and demonstration activities promote the understanding of the relationship between self-identity and academic achievement, with an emphasis on children in grades K-8. Familiarity with Mamie P. Clark's work is essential.	Online Application	http://www.apa.org/apf/funding/clark-fund.aspx?tab=3
The Little Giraffe Foundation	Health	2018 Neonatal Research Initiative	7/20/2018	\$5,000	\$10,000	Applications must be sent from an email address associated with the organization requesting the funding.	Research subjects appropriate for support by the Little Giraffe Foundation include basic biological processes governing development, genetics, clinical studies, studies of reproductive health, environmental toxicology, and social and behavioral studies. Please note that studies related to development of educational interventions or to address quality improvement initiatives will not be considered for funding.	Email submission	http://www.littlegiraffefoundation.org/Neonatal-Research-Initiative-Request-For-Proposals
Group Foundation for Advancing Mental Health	Mental Health	Research Grant Program	11/1/2018	\$2,500	\$15,000	Investigator salaries and travel expenses are not funded.	Funds are available to support research that demonstrates the effectiveness of group psychotherapy. The Foundation is seeking research-focused, rather than program-focused, applications.	Email submission	http://www.agpa.org/Foundation/research-grants
Comcast	Computer Science	Research and Open Source Development Grants	Rolling	\$3,000	\$100,000	Typically supports one-year projects. Will sometimes consider multi-year projects but will only fund one phase at a time with no guarantee of continued funding.	Research Grants can be either general or targeted. A general research grant provides an unrestricted award of funds to support researchers. These grants are focused on supporting excellent technical research in a wide variety of fields that are relevant to the broadband industry and/or to Comcast specifically. In contrast, a targeted research grant is more narrowly tailored and typically study more specific issues. Open Source Development Grants are intended to fund new or continued development of open source software in areas of interest to Comcast or of benefit to the Internet and broadband industries. Must coordinate with Corporate Relations.	Online Application	http://innovationfund.comcast.com/
Smith Richardson Foundation	Social Science	Domestic Public Policy Program	Open	\$25,000	\$104,000	Concept papers accepted, full proposals invited.	The Domestic Public Policy Program supports projects that will help the public and policy makers understand and address critical challenges facing the United States. To that end, the Foundation supports research on and evaluation of existing public policies and programs, as well as projects that inject new ideas into public debates.	Mail	https://www.srf.org/programs/domestic-public-policy/

Upcoming Opportunities - February 2018

Please contact Gayle McAleenan (gayle.mcaleenan@wayne.edu or 7-8847) to discuss applications.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Award Notes	Purpose	Submission Method	Website
Lockheed Martin	Education	STEM education and military and veteran causes	Open			One-year grants.	Lockheed Martin is committed to a program of philanthropy that supports the Corporation's strategic business goals and invests in the quality of life in the communities where our employees work and live. Must coordinate with Corporate Relations.	Online Application	http://www.lockheedmartin.com/us/who-we-are/community/philanthropy.html
Robert Wood Johnson Foundation	Health	Evidence for Action: Investigator-Initiated Research to Build a Culture of Health	Rolling	\$185,000	\$440,000	Grant period is up to 36 months.	Support rigorous, high-impact, creative research projects to build and disseminate information for evidence-based approaches to building a Culture of Health. The program will also support efforts to assess outcomes and set priorities for action by encouraging and supporting creative, rigorous research on the impact of innovative programs, policies and partnerships on health and well-being, and on novel approaches to measuring health determinants and outcomes. Must coordinate with Foundation Relations.	Online Application	https://anr.rwjf.org/viewContent.do?cfpld=1224&cfpOverviewIwd=
Thrasher Research Foundation	Health	E.W. Al Thrasher Award	Rolling	\$100,000	\$500,000	The Fund awards grants two times per year, with no fixed number of awards given in each funding cycle or in each year.	Funds to improve children's health through medical research, with an emphasis on projects that have the potential to translate into clinically meaningful results within a few years. Open to applications that address a variety of significant pediatric problems. Both incidence and severity are considered when determining the significance of the proposed topic. Ideal applications for the award address significant health problems that affect children in large numbers and offer the potential for practical solutions to these problems.	Email LOI	https://www.thrasherresearch.org/SitePages/al-thrasher-award.aspx
Blue Cross Blue Shield Blue Care Network of Michigan	Health	Investigator Initiated Research Program	Rolling	\$50,000	\$75,000	If the project is exceptional, they will consider increasing or extending funding.	To make a significant contribution to health care knowledge and its application to improve health by supporting research and effective demonstration and evaluation projects and developing innovative and socially responsive health initiatives.	Mail application	http://www.bcbsm.com/content/dam/microsites/foundation/investigator-initiated-program.pdf
Blue Cross Blue Shield Blue Care Network of Michigan	Health	Physician-Investigator Research Award	Rolling		\$10,000	Does not support basic science, biomedical research, or studies using animals.	Enables physicians to explore the merits of a research idea who propose a pilot study, feasibility study or small research study.	Mail application	http://www.bcbsm.com/content/dam/microsites/foundation/physician-investigator.pdf

Upcoming Opportunities - February 2018

Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

Funder	Topic	Program Name	Deadline	Award Minimum	Award Maximum	Award Notes	Purpose	Submission Method	Website
Arcus Foundation	Social Science	Social Justice Grants	Rolling	\$25,000	\$500,000	Initial Funding Concept is due before LOI.	Working on national, regional, and international levels, Arcus contributes to the development of a global movement integrating sexual orientation and gender identity into shared conceptions of human rights. Applications are accepted for International Human Rights, U.S. Social Justice, or Global Religions.	Online Application	http://www.arcusfoundation.org/what-we-support/social-justice-lgbt/
Public Welfare Foundation	Law	Juvenile Justice	Rolling	\$10,000	\$800,000	Does not fund scholarships.	Supports groups working to end the criminalization and over incarceration of youth in the United States. In particular, the Program makes grants to groups that are working to (1) Advance state policies that restrict the juvenile justice system's use of incarceration and expand the use of community-based programs for youth, (2) End the practice of trying, sentencing, and incarcerating youth in the adult criminal justice system; and (3) Promote the fair and equitable treatment of youth of color who come into contact with the juvenile justice system. Must coordinate with Foundation Relations.	Online Application	http://www.publicwelfare.org/grants-process/
Home Depot	Community Development	Community Impact Grants	Rolling		\$5,000	Grants are given in the form of The Home Depot gift cards for the purchase of tools, materials, or services.	Grants for projects that use the power of volunteers to improve the physical health of the community. The primary goal of the grant program is to support the renovation, refurbishment, retrofitting, accessibility modifications, and/or weatherization of existing homes, centers, schools and other similar facilities. This is a limited submission opportunity. Must coordinate with Corporate Relations.	Online Portal	https://corporate.homedepot.com/grants/community-impact-grants
Wish You Well Foundation	Education	Grant Program	Rolling	\$200	\$10,000		Supporting family literacy in the United States by fostering and promoting the development and expansion of new and existing literacy and educational programs.	Online or Mail Application	http://www.wishyouwellfoundation.org/apply-for-funding/
The Nathan Cummings Foundation	Science	Climate Program	Rolling	\$3,000	\$950,000		Supports promising work that addresses climate change by increasing access to modern energy for the world's poor; stabilizing greenhouse gas concentrations in the atmosphere at a low level; and improving resilience for those most vulnerable to the negative consequences of climate variability and change.	Electronic Application	http://ncf.org/what-we-fund/our-focus/climate
Merck	Health	Patient Advocacy Grants	Rolling	\$25,000	\$100,000	Applications must be submitted online a minimum of 60 days prior to the activity start date	Patient Advocacy grants are provided to non-profit organizations to support non-accredited independent education and related advocacy activities that seek to improve consumer/patient disease and treatment awareness in specific disease categories. Examples of activities that may be eligible for support include disease awareness campaigns and public service announcements.	Online Application	https://www.mercksupport.com/cme/(Sah1rai45mlsfx355ci02co2b))/Portal/PatientAdvo.aspx#
Merck	Health	Public Policy Grants	Rolling	\$25,000	\$100,000	Applications must be submitted online a minimum of 60 days prior to the activity start date	Public Policy grants support independent events or activities that (1) promote public policies that foster an environment for innovation in the bioscience industry or improve patient access to medicines or health care in general; or (2) facilitate opportunities to engage in constructive discussions on policy issues with organizations representing state or federal officials. Eligible organizations are 501c(3), 501c(4), or 501c(6) organizations and include groups representing federal officials, biotechnology associations, think tanks, policy advocacy coalitions/groups, health professional associations, and business organizations.	Online Application	https://www.mercksupport.com/cme/(Suegyx33re0bcykfpshhnb55))/Portal/Support.aspx

Upcoming Opportunities - February 2018
