

Upcoming Opportunities - October 2017

Please contact Gayle McAleenan (gayle.mcaleenan@wayne.edu or 7-8847) to discuss applications.

Corporate and Foundation Relations staff will help prepare all applications. Those opportunities noted in red must be coordinated with Corporate or Foundation Relations.

| Funder | Topic | Program Name | Deadline | Award Minimum | Award Maximum | Award Notes | Purpose | Submission Method | Website |
|--|----------------------|---|------------|---------------|---------------|---|---|----------------------------|---|
| State Farm | Economic Development | Good Neighborhood Citizenship Grants | 10/31/2017 | | \$5,000 | | State Farm's charitable funding is intended to advance access, equity, and inclusiveness while discouraging harmful discrimination based on age, political affiliation, race, national origin, ethnicity, gender, disability, sexual orientation or gender identity, or religious beliefs. Accepts applications for: safety, education and community development | Online Application | https://www.statefarm.com/about-us/community/education-programs/grants-scholarships/company-grants |
| Group Foundation for Advancing Mental Health | Health | Advancing Mental Health Research Grant | 11/1/2017 | \$2,500 | \$15,000 | Grant period is for 1 year. | Supports research that demonstrates the effectiveness of group psychotherapy. | Electronic Application | http://www.agpa.org/Foundation/research-grants |
| Spencer Foundation | Education | Small Research Grants Program | 11/1/2017 | | \$50,000 | Proposals accepted four times per year. | Supports education research projects with budgets of \$50,000 or less. Aims to fund academic work that will contribute to the improvement of education, broadly conceived. Historically, work funded through these grants has spanned a range of topics and disciplines, including education, psychology, sociology, economics, history, and anthropology, and they employ a wide range of research methods. Pls and co-Pls must have an earned doctorate in an academic discipline or professional field, or appropriate experience in an education research-related profession. Must coordinate with Foundation Relations. | Online application | http://www.spencer.org/smail-research-grants-application-guidelines |
| Wenner-Gren Foundation | Arts and Humanities | Anthropology Post-Ph.D. Research Grants | 11/1/2017 | | \$20,000 | Applicants must hold a PhD or equivalent degree | Supports basic research in anthropology and to ensure that the discipline continues to be a source of vibrant and significant work that furthers our understanding of humanity's cultural and biological origins, development, and variation. Particularly welcomes proposals that employ a comparative perspective, can generate innovative approaches or ideas, and/or integrate two or more subfields. | Online and mail submission | http://www.wennergren.org/programs/post-phd-research-grants |

Upcoming Opportunities - October 2017

Please contact Gayle McAleenan (gayle.mcaleenan@wayne.edu or 7-8847) to discuss applications.

| Funder | Topic | Program Name | Deadline | Award Minimum | Award Maximum | Award Notes | Purpose | Submission Method | Website |
|---|-----------------------|---|-----------|---------------|---------------|---|--|--|---|
| Fahs-Beck Fund for Research and Experimentation | Health | Behavioral or Psychological Research Studies | 11/1/2017 | | \$20,000 | Up to two years. Projects must be focused on the United States or Canada or on a comparison between the U.S. or Canada and one (or more) other country. | Fahs-Beck Fund for Research and Experimentation is accepting applications from behavioral or psychological research studies based in the United States or Canada. The fund will award grants of up to \$20,000 in support of studies aimed at developing, refining, evaluating, or disseminating innovative interventions designed to prevent or ameliorate major social, psychological, behavioral, or public health problems affecting children, adults, couples, families, or communities. | Electronic submission and mail | http://www.fahsbeckfund.org/pdf_files/CURRENT_Post_Doctoral_Guidelines_01.12.15.pdf |
| Oxalosis & Hyperoxaluria Foundation | Health | Research Grant Program | 11/1/2017 | | \$200,000 | Grant period is up to two years. | Seeks to support research that will ultimately lead to new diagnostics, treatments, and a cure for Primary Hyperoxaluria and related Hyperoxaluria conditions. | Electronic Application | http://ohf.org/wp-content/uploads/2017/05/2017-Grant-Instructions.pdf |
| BrightFocus Foundation | Health | National Glaucoma Research Grants | 11/7/2017 | | \$150,000 | Two-year grant | Grants of up to \$150,000 over two years will be awarded to researchers for innovative investigator-initiated glaucoma-related research projects. The program is designed to give scientists the opportunity to develop the preliminary data necessary to be considered competitive for larger government or corporate types of sponsorship. | Online Application | https://www.brightfocus.org/grants/apply-for-grant |
| The Japan Foundation | International Studies | U.S.-Southeast Asia-Japan Collaboration and Exchange Initiative | 11/1/2017 | | \$100,000 | One- or two-year grants. | This initiative is designed to connect Japan scholars from the U.S., Southeast Asia, and Japan in order to enhance their collective scholarship through collaborative projects and exchanges, as well as to advance Japanese Studies in these three regions. The foundation hopes that Japan scholars and students from all three regions and across many disciplines will benefit mutually from the creation of scholarly networks and the sharing of Japanese Studies resources, research methodology, and practical collaborative work. Projects will be based at U.S. institutions with strong existing or developing Japanese Studies programs, in order to share the wealth of Japanese Studies resources present in the U.S., and to establish and/or strengthen connections with individuals and institutions in Southeast Asia and Japan. | Email application, handwritten signature required. | http://www.jfny.org/japan_ese_studies/us_sea.html |

| Funder | Topic | Program Name | Deadline | Award Minimum | Award Maximum | Award Notes | Purpose | Submission Method | Website |
|--|-----------|---|-----------|---------------|---------------------------|--|--|--------------------|---|
| The Greenwall Foundation | Health | Greenwall Faculty Scholars Program in Bioethics | 11/1/2017 | | 50 percent salary support | Submit LOI by 11/1/17, full applications due 1/15/18. Must be junior faculty. Three-year award. | A career development award to enable junior faculty members to carry out innovative bioethics research. Each year around three scholars receive 50 percent salary support for three years to enable them to develop their research program. Supports research that goes beyond current work in bioethics to help resolve pressing ethical issues in clinical care, biomedical research, and public policy. | Online Application | http://greenwall.org/fsp-current-request-for-proposals.php |
| National Palliative Care Research Center | Health | Pilot/Exploratory Project Support Grant Program | 11/6/2017 | | \$140,000 | LOI only, full proposals invited. One- to two-year grants. July 1, 2018 start date. | Provides funding for investigators performing pilot/exploratory research studies that focus on improving care for seriously ill patients and their families. | Online Application | http://www.npcrc.org/news-detail.aspx?id=141 |
| National Academy of Education | Education | NAEd/Spencer Postdoctoral Fellowship Program | 11/2/2017 | | \$70,000 | One or two-year grant. Received PhD, EdD, or equivalent research degree between January 1, 2012, and December 31, 2016. May not receive other funding for project during the fellowship. | The National Academy of Education (NAEd)/Spencer Postdoctoral Fellowship supports early-career scholars working in critical areas of education research. This nonresidential postdoctoral fellowship funds proposals that make significant scholarly contributions to the field of education. The program also develops the careers of its recipients through professional development activities. | Online application | https://naeducation.org/naeds-spencer-postdoctoral-fellowship-guidelines/ |
| People With Disabilities Foundation | Education | Pilot Grant Program | 11/6/2017 | \$5,000 | \$12,500 | LOI submission, full proposals invited. Notification in early December. | The grant program helps agencies in their work to integrate people with psychiatric and/or developmental disabilities into the whole of society. Grants may be used for a specific program, project, or general operating expenses if related to a specific program or project, in furtherance of providing advocacy, education, vocational, or other areas of particular interest, including full scale legal representation where there currently is a void for this population. | Email submission | http://www.pwdf.org/wp-content/uploads/2017/09/PWDF-LOI-Info-Instructions-Ph2-9-22-17.pdf |

| Robert Wood Johnson Foundation | Health | Health Policy Fellows | 11/15/2017 | | \$165,000 | Up to six awards of up to \$165,000 each will be made in 2018. | The Robert Wood Johnson Foundation Health Policy Fellows program provides the nation's most comprehensive learning experience at the nexus of health, science, and policy in Washington, D.C. It is an outstanding opportunity for exceptional midcareer health professionals and behavioral and social scientists with an interest in health and health care policy. Fellows participate in the policy process at the federal level and use that leadership experience to improve health, health care, and health policy. | Online Application | http://www.rwjf.org/en/library/funding-opportunities/2017/robert-wood-johnson-foundation-health-policy-fellows.html?rid=kW9IO9Kfw_GmbX0Im7Fd4FYXWIRNIAH&et_cid=999374 |
| American Tinnitus Foundation | Health | Research Grant | 11/15/2017 | | \$50,000 | Multi-year projects, up to 3 years, are considered but funding is reviewed and appropriated on a year-to-year basis | Supports cutting-edge tinnitus science, with targeted research funding. ATF seed-grants kick-start innovative research projects and help researchers show initial proof-of-concept. | Electronic Application | https://www.ata.org/research-toward-cure/research-program/apply-grant |
| American Council of Learned Societies: The Robert H. N. Ho Family Foundation | Arts and Humanities | Buddhist Studies Program | 11/15/2017 | | \$70,000 | No time restrictions. | Robert H. N. Ho Family Foundation Research Fellowships in Buddhist Studies: A stipend of up to \$70,000 will be awarded to support research and writing in Buddhist studies for scholars who hold a PhD degree, with no restrictions on time or with respect to the location of the work conducted. | Online Application | https://ofa.acs.org/ |
| American Council of Learned Societies: The Robert H. N. Ho Family Foundation | Arts and Humanities | Buddhist Studies Program | 11/15/2017 | | \$80,000 | One year grant period. | Grants for Critical Editions and Scholarly Translations: One-year grants of up to \$80,000 will be awarded to institutions of higher education in support of a broad range of initiatives, from the creation of critical editions (with full scholarly apparatus), to the translation of canonical texts into modern vernaculars, to the translation of scholarly works on Buddhism from one modern language into another. | Online Application | https://ofa.acs.org/ |

|--|-----------|---|-----------|---------------|---------------|---|--|------------------------|---|
| Spencer Foundation | Education | Conference Grant Program | 12/1/2017 | \$5,000 | \$50,000 | | The Conference Grant program is designed to provide support to scholars for small research conferences and focused symposia. The conference grant program intends to bring together researchers whose substantive knowledge, theoretical insight, and methodological expertise can be assembled in ways that build upon and advance best practices in education research. Seeks proposals related to creating and sustaining equitable educational spaces. | Online Application | http://www.spencer.org/conference-grants-advancing-education-research |
| Simons Foundation | Science | Simons Foundation Autism Research Initiative | 12/1/2017 | | \$330,000 | Two-year grant. LOI only, full proposals invited in January 2018. | Grants awarded through this RFA are intended to provide funding for investigators conducting bold, creative and rigorous research into the underlying biology, causes and treatment of autism spectrum disorders. | Online application. | https://www.sfari.org/grant/pilot-and-research-awards-request-for-applications/ |
| National Blood Foundation <i>(philanthropic arm of American Association of Blood Banks)</i> | Health | Early Career Scientific Research Grants Program | 12/1/2017 | | \$75,000 | Grant period is for one to two year projects. | Supports investigator-initiated original research focused on any aspect of blood banking, transfusion medicine, cellular therapies, or patient blood management. Applicant must be a doctor (MD or PhD), medical technologist, or transfusion medicine or cellular therapies professional. | Online Application | http://www.aabb.org/research/nbf/Pages/grants.aspx |
| Retirement Research Foundation | Health | Responsive Research Grants | 12/1/2017 | \$5,000 | \$100,000 | Strictly LOI submission. Proposals are invitation only. | Funds research projects that have a regional or national impact on older Americans. Of particular interest are projects that seek causes and solutions to significant problems facing older adults, ages 65 and older, through support of applied and policy research for which federal funding is not available. | Electronic Application | http://www.rrf.org/grants/responsive-grants/research#eligibility |

|--|---------------------|---|-----------|---------------|---------------|---|--|--------------------|---|
| The Rivkin Center for Ovarian Cancer | Health | Pilot study awards in ovarian cancer research | 12/1/2017 | | \$75,000 | One-year awards | The Rivkin Center for Ovarian Cancer is announcing funds for approximately twelve Pilot Study Program awards to be allocated based on scientific merit. One-year awards will support investigator-initiated projects in all areas of ovarian cancer research. In addition, projects designed to analyze data from already funded clinical trials will be considered. | Online Application | https://www.rivkin.org/wp-content/uploads/2015/11/Pilot-Study-Award-RFA-2018-pC.pdf |
| Hearing Health Foundation | Health | Emerging Research Grants | 12/1/2017 | | \$30,000 | Applicants must be Ph.D., M.D., or Au.D. Early career applicants prioritized. | The primary purpose is to enable the investigator to become established and/or to produce quality research that will allow him/her to successfully compete for NIH Grants or grants from other sources. Applications will be considered for research directed to investigation of specified research topic areas of the auditory and vestibular systems to be listed in the Request for Application; both fundamental and clinical research proposals are welcome. | Online Application | https://hearinghealthfoundation.org/how-to-apply |
| American Concrete Institute Foundation | Science | Concrete Research | 12/1/2017 | | \$50,000 | Four projects will be selected for this cycle. ACI technical committee must support the research concept and participate in an advisory role to the PI. | The ACI Foundation's Concrete Research Council (CRC) seeks to advance the concrete industry through the funding of concrete research projects that further the knowledge and sustainability of concrete materials, construction, and structures in coordination with ACI Committees where possible. | Online Application | https://www.acifoundation.org/Portals/12/Files/PDFs/RFP-Application-Guide.pdf |
| Open Society Foundations | Criminal Justice | Soros Justice Fellowships | 12/6/2017 | \$58,000 | \$120,000 | 18-month fellowships | The Soros Justice Fellowships fund outstanding individuals to undertake projects that advance reform, spur debate, and catalyze change on a range of issues facing the U.S. criminal justice system. | Online application | https://www.opensocietyfoundations.org/grants/soros-justice-fellowships |
| Terra Foundation for American Art | Arts and Humanities | Academic Workshop & Symposium Grants | 12/8/2017 | | \$25,000 | International venue must be secured before LOI submission. Full proposal invited, due March 1, 2018. | Academic program funding is available for in-person exchanges such as workshops, symposia, and colloquia that advance scholarship in the field of American art (circa 1500-1980) that take place: in Chicago or outside the US, or in the US and examine American art within an international context and include a significant number of international participants. | Email submission | https://www.terraamericaart.org/what-we-offer/grant-fellowship-opportunities/academic-program-grants/ |

Upcoming Opportunities - October 2017

|---------------------------------------|---------|--|------------|---------------|---------------|---|--|--|---|
| The McGovern Institute | Science | The Edward M. Scolnick Prize in Neuroscience | 12/15/2017 | | \$150,000 | Candidates must be nominated by individuals affiliated with universities, hospitals, medical schools, or research institutes. Requires biosketch or CV of the nominee and a letter of nomination. | The Edward M. Scolnick Prize Neuroscience is awarded annually by the McGovern Institute to recognize outstanding advances in the field of neuroscience. The prize, which is endowed through a gift from Merck to the McGovern Institute, consists of a \$150,000 award, plus an inscribed gift. The recipient of the Scolnick Prize presents a public lecture at the McGovern Institute for Brain Research in the spring of 2018. | Email or mail submission | http://mcgovern.mit.edu/events/scolnick-prize/call-for-nominations |
| Alex's Lemonade Stand Foundation | Science | Innovation Grants | 12/15/2017 | | \$250,000 | LOI submission, full proposals invited by February. Up to two years. Must have a faculty appointment at an academic institution. | Alex's Lemonade Stand Foundation (ALSF) is committed to creating opportunities for new and innovative research into treatments and cures for childhood cancers. Innovation grants are designed as seed funding for researchers with a novel approach to pediatric oncology scientific investigation. | Online application (opens in November) | https://www.alexlemonade.org/sites/default/files/2018_innovation_loi_guidelines_final.pdf |
| Pancreatic Cancer Action Network | Science | Catalyst Grants | 12/15/2017 | | \$500,000 | Up to three-year grant. Grant term starts July 1, 2018. Not currently or previously served as a PI on major research award. | The program, which aims to encourage and support junior faculty in the pursuit of pancreatic cancer research and establish a career path in the field, provides grants of up to \$500,000 over three years to junior investigators who have yet to secure their first significant research funding. | Online Application | http://media.pancan.org/files/2017/2018-Catalyst-Grant-Guideline-and-Application-Instructions.pdf |
| American Physical Therapy Association | Health | Health Policy and Administration Grant Program | 12/31/2017 | | \$15,000 | One year grant period. Possible renewal of one additional year. | Support basic research with novel and innovative hypotheses in any area relevant to the etiology or pathophysiology of diabetes and its complications that holds significant promise for advancing the prevention, cure or treatment of diabetes. Applications proposing high-risk projects with the potential for high-impact results are encouraged, as are studies that may not be sufficiently developed for traditional funding sources. | Online Application | http://www.apta.org/page/HPAGrant |
| American Psychological Association | Health | Pearson Early Career Grant | 12/31/2017 | | \$12,000 | Applicants should be psychologists with an EdD, PsyD or PhD from an accredited university with no more than 10 years postdoctoral. | Support early career psychologists to work in an area of critical societal need including but not limited to innovative scientifically based clinical work with serious mental illness, serious emotional disturbance, incarcerated or homeless individuals, children with serious emotional disturbance (SED) and adults with serious mental illness (SMI); and to encourage early career psychologists to devote their careers to underserved populations. | Online Application | http://www.apa.org/apf/funding/pearson.aspx |

|---|----------|--|-----------|---------------|---------------|--|---|-----------------------------|---|
| Sarcoma Foundation of America | Medicine | Research Grants | 1/31/2018 | \$5,000 | \$50,000 | One-year grant. June 1, 2018 grant start date. | The Sarcoma Foundation of America has developed a program to provide grants to investigators interested in translational science sarcoma research. | Online application | https://www.curesarcoma.org/research/apply-for-a-grant/ |
| The Simons Foundation | Science | Collaboration Grants for Mathematicians | 1/31/2018 | | \$42,000 | Five-year grant, September 1, 2018, and end August 31, 2023. \$8,400 per year. | The goal of the program is to support the "mathematical marketplace" by substantially increasing collaborative contacts between mathematicians. The foundation will make a large number of collaboration grants to accomplished, active researchers in the United States who do not otherwise have access to funding that allows support for travel and visitors. | | |
| Camille & Henry Dreyfus Foundation | Science | The Camille Dreyfus Teacher-Scholar Awards Program | 2/8/2017 | | \$75,000 | Unrestricted research grant. Institutions may submit only one nomination annually. Renominations are accepted. | The Camille Dreyfus Teacher-Scholar Awards Program supports the research and teaching careers of talented young faculty in the chemical sciences. Based on institutional nominations, the program provides discretionary funding to faculty at an early stage in their careers. Criteria for selection include an independent body of scholarship attained in the early years of their appointment, and a demonstrated commitment to education, signaling the promise of continuing outstanding contributions to both research and teaching. Charges associated with indirect costs or institutional overhead are not allowed. Limited submission opportunity. | Electronic email submission | http://dreyfus.org/awards/camille_dreyfus_teacher_award.shtml |
| ABMRF/The Foundation for Alcohol Research | Health | ABMRF Research Grant Program | 2/15/2018 | | \$75,000 | Grant period is for 1-2 years. | Supports research on all aspects of alcohol consumption and its effects. Encourages basic and clinical research, including epidemiology and topics that include factors influencing underage drinking, mechanisms of alcohol-related organ injury, fetal alcohol spectrum disorders, and effects of alcohol on general health. | Online Application | http://www.abmrf.org/applying_grant |

| Robert Wood Johnson Foundation | Health | Evidence for Action: Investigator-Initiated Research to Build a Culture of Health | Rolling | \$185,000 | \$440,000 | Grant period is up to 36 months. | Support rigorous, high-impact, creative research projects to build and disseminate information for evidence-based approaches to building a Culture of Health. The program will also support efforts to assess outcomes and set priorities for action by encouraging and supporting creative, rigorous research on the impact of innovative programs, policies and partnerships on health and well-being, and on novel approaches to measuring health determinants and outcomes. Must coordinate with Foundation Relations. | Online Application | https://anr.rwjf.org/viewCfp.do?cfpid=1224&cfpOverviewId= |
| Thrasher Research Foundation | Health | E.W. Al Thrasher Award | Rolling | \$100,000 | \$500,000 | The Fund awards grants two times per year, with no fixed number of awards given in each funding cycle or in each year. | Funds to improve children's health through medical research, with an emphasis on projects that have the potential to translate into clinically meaningful results within a few years. Open to applications that address a variety of significant pediatric problems. Both incidence and severity are considered when determining the significance of the proposed topic. Ideal applications for the award address significant health problems that affect children in large numbers and offer the potential for practical solutions to these problems. | Email LOI | https://www.thrasherresearch.org/SitePages/al-thrasher-award.aspx |
| Blue Cross Blue Shield Blue Care Network of Michigan | Health | Investigator Initiated Research Program | Rolling | \$50,000 | \$75,000 | If the project is exceptional, they will consider increasing or extending funding. | To make a significant contribution to health care knowledge and its application to improve health by supporting research and effective demonstration and evaluation projects and developing innovative and socially responsive health initiatives. | Mail application | http://www.bcbsm.com/content/dam/microsites/foundation/investigator-initiated-program.pdf |
| Blue Cross Blue Shield Blue Care Network of Michigan | Health | Physician-Investigator Research Award | Rolling | | \$10,000 | Does not support basic science, biomedical research, or studies using animals. | Enables physicians to explore the merits of a research idea who propose a pilot study, feasibility study or small research study. | Mail application | http://www.bcbsm.com/content/dam/microsites/foundation/physician-investigator.pdf |
| Arcus Foundation | Social Science | Social Justice Grants | Rolling | \$25,000 | \$500,000 | Initial Funding Concept is due before LOI. | Working on national, regional, and international levels, Arcus contributes to the development of a global movement integrating sexual orientation and gender identity into shared conceptions of human rights. Applications are accepted for International Human Rights, U.S. Social Justice, or Global Religions. | Online Application | http://www.arcusfoundation.org/what-we-support/social-justice-lgbt/ |
