

2015 ANNUAL FACULTY and STAFF HONOR ROLL

Thank you to our faculty and staff who are making a difference!

More than 950 Wayne State employees supported the university with gifts and pledges totaling over \$2 million during 2015.

It's all about participation.

While the amount of money given by faculty and staff each year is impressive, **your participation** is what has the largest impact. The number of faculty and staff that are making charitable gifts to support Wayne State University, no matter the amount or where it is designated, shows all our constituents that Wayne State is worth investing in. Thank you to everyone who was able to give something this past year to support our university.

If you would like to challenge your colleagues to support Wayne State University, contact Annual Giving at 1-888-WSU-GIVE for assistance and resources.

Faculty and staff give back – click below to hear why.
